A blonde woman with bangs and dark eye makeup is posing in a silver, metallic-looking bikini. She is standing in front of a large, multi-paned window that looks out onto a green landscape. The room has a wooden ceiling. She is looking over her shoulder at the camera with a slight smile. Her hands are resting on her hips/waist.

Lately, I've been helping a friend, Desi, at her store in the mall. I used to avoid the mall, but now I see all sorts of guys walking through and it amazes me. Yeah, there are the ones with a female, and the dads, but I am quite surprised to see a lot of great looking men there too.

A few stop by to say hello to Desi, others to shop. One evening, about a half hour before closing this guy comes in and Desi and he disappear to the back.

Devon

My last customer leaves a few minutes before closing and I decide to lock up and see where Desi and her friend have gone.

Before I can even call out to her, I hear groans coming from the far dressing room and I go back only to see Desi on her knees in front of this guy, blowing him. He sees me and taps her on the head. She looks up, smiles, and motions me to come down and join her. I go over, look at him square in the eyes and drop to my knees and take over his cock. Desi had done a good job on him because within a minute or two he explodes a load on our faces. I now love the mall.

Sometimes I have a hard time getting off. Sometimes you can look at me and I get wet and cum. But there is one thing, no – correction – two things that naver fail. Two nice big cocks. Yes, that's how it is now. And, beklieve it or not, it's not hard to hind two well-hung guys willing to make me cum. Pretty nice gig guys, if you can find me!

Tera

When they asked me to do this photo shoot and video, I said that I'd do it under one condition. You guessed it, two cocks. But I wanted them to be different so I got the real feeling that there were two cocks instead of one. When I saw them, I was quite happy and knew I'd be cumming a few times that afternoon. I must say that I don't remember the guy's faces, but I never forget a cock I've sucked and fucked. Jump on board guys. I'm ready!

Dear Editor,

I just got back into my hotel room and had to write down what I just saw. I'm a 52 year old man attending a company outing in Jacksonville and I just left the boring seminar we were all required to attend. So I went out on the balcony of the restaurant at the hotel to have a smoke and forget the past two hours. It's only 7 pm but it's dark because it's December, but the weather is warm and balmy. The sea waves were breaking down on the beach and I breathed in the wonderful sea air.

At another section of the restaurant, I could hear a party in full swing. It was a girl's twenty first birthday so there were lots of pink party balloons emblazoned with the number twenty one tied to patio tables and chairs with yellow ribbons, and young women on the same balcony in heels and party dresses getting gradually louder. I decided to get away from the noise and take a walk; too much excitement for a tired and bored businessman.

As I walked across the lawn, I could hear the chatter and laughter from the party. I came to a short cliff path ran in front of me. Beyond this there were some heavy rocks and I sat on one of these and looked out at the sea view below me. I took out another cigarette and listened as music now drifted down from the party. I could hear female voices

laughing and giggling but they were not from the party. It seemed that they were getting closer. I refocused my eyes as I saw two of the party girls come into my view some twenty or feet beneath where I was sitting. I moved back off the edge so they could not see me. A blonde girl came first clutching a bottle of wine in one hand, and leading another gorgeous girl with the other.

They were obviously from the celebration at the restaurant, wearing bright party dresses and stumbling their way across the sandy beach. The first girl took a drink from the wine bottle as she led her friend away from the water to a spot right under where I was sitting. Her little red party dress clung to her curves tightly to show off her wonderful hourglass figure and plump heavy breasts, pushed up in her strapless number. Her friend had bare feet and legs, and a little flared skirt which only just covered the cheeks of her bottom. I guessed she'd hitched it up as they'd run across the beach, and she was displaying the most wonderful amount of dark firm flesh. She had a little tube top that was barely covering her nipples.

I put out my smoke as they stopped and the first girl spun the other around by the hand to face her. She passed her the bottle and the other took a drink sloppily letting the deep red liquid spill out around her pink lips and run down her chin. She laughed and licked her

lips as she dropped the bottle to the ground.

The first girl pulled her friend to her pressing their bodies together, squashing their tits together and wrapping their arms around one another. I leaned more over the edge to get a better view. They looked a little drunk and quite horny. By now, in great anticipation, my cock was as hard as a rock and pressed down against the ground as I lay on my stomach watching the action unfold below me. Go ahead and kiss her, I whispered.

My wish was answered as their mouths came together with passion not seen by me in years. Tongues and spit were slathered over their mouths. Then the first girl slid her hand over the other girl's firm ass, down to the hem of her short flared skirt, and dug her nails into it. They held each other tight, exploring each other's curves with their hands, kissing deeply and urgently. The younger girl leaned back, breaking the kiss, and tried to push her friend away in mock resistance.

Without hesitation, she kissed her friend again deep and passionately, sliding a hand up the back of her friend's thigh and under the hem of her skirt. I rolled onto my side, reaching down and curling my fingers around my stiff cock, rubbing it as I watched.

I heard the second girl whimpering

Then she pushes the other girl's head down to her pussy and lifts a leg to accommodate her. The second girl goes after the pussy with wild abandon and as the first girl throws her head back in pleasure.

pussy with wild abandon and as the first girl throws her head back in pleasure. Her eyes are closed as she lets the sensations fill her body. I move forward for a better view as the action heats up and, stupidly, make enough noise that the first girl opens her eyes and sees me. But she doesn't flinch. She just smiles at me and let's her friend continue with her muff munching.

I can tell she's about to cum and takes her friend's hands and puts them on her breasts and guides them to rub and pinch her nipples. She

as the first pushed her hand firmly between her thighs and spread her legs with her knee. She rubbed her fingers back and forth as she buried her face into the girl's neck. Then she pulled back holding her hand up in front of the other girl's face. She smiled and said, "You're very wet, honey," as she pushed her fingers to the girls lips. These were the first distinct words I had heard beyond all the groans and squeals. The first girl pushed her hand back between her friend's thighs and kissed her deeply again, and the other groaned and kissed her back just as deeply.

Then the first dropped to her knees and pulled her friend's tube top and

skirt down in one swift motion. She pulled the clothes away from her friend's feet and moved her hands up to spread her legs. Burying her head in her friend's snatch, she grabbed her butt cheeks and pulled her into her face. While I could not see the explicit action from my viewpoint, I could hear the slurps and squeals emanating beneath me.

The first girl stands up and kisses her friend again, forcing the smell of her pussy into her friend's mouth. As she's kissing her friend, the first girl wiggles out of her dress and lets it fall. Then she pushes the other girl's head down to her pussy and lifts a leg to accommodate her. The second girl goes after the

cums with a soft scream, all the while her gaze is fixed on mine. The second girl stands up and they hug, rubbing each others asses as they do. Then the first whispers into the second girl's ear and I see her look up at me. I muster a timid wave and the second girl freaks a little, grabbing her clothes and running away. But the first stays behind, taking her time to gather her things and walk calmly back to the party.

I go back to my room and relive the past couple hours with my cock in hand. I wash up, go to bed, and pull out paper and pen this time. What a great trip it's been.

– Malcolm, Atlanta

When our photographer caught up with Delarosa in her home town she was ready and willing to go.

"I couldn't wait for my photo shoot," she said. "The thought of getting a pretty with a professional makeup artist and a wonderful photographer, what woman wouldn't want to do it. But for me, the best part was to get to fuck a guy that I just met. I've been celibate since my husband split so I'm real excited to screw!"

Delarosa

"After we got started, everything went really smooth. I didn't know that they would shoot stills in between live action scenes, so I had to stay excited through the whole thing, which for me was not that hard to do. I even had a lot of fun keeping my partner hard between takes. I think the guy may have it tougher than the woman!"

NASTY HOUSEWIVES PRESENTS

*How can you tell if a car mechanic just had sex?
His middle finger is clean.*

passion, strength, tire

LOOKS LIKE THE WEEKEND IN THE CATSKILLS WILL GET OFF TO LITTLE LATER START THAN PLANNED.

I was headed to the Catskills from Albany along Route 203 to meet up with some friends for a nice relaxing weekend in the cabin we had rented. I rushed out of the office early on Friday to get there before sundown. Now I'm two hours into the trip and get a flat tire. I don't know if I ran over anything or it just lost all its air. Nonetheless, I use my cell to get local information to get the phone number of a local mechanic in Voorheesville who can come out to help me. I get through to a gas station and sweet talk a young guy to come out and help me. It turns out I was only ten miles from the station, so he was there within a half hour.

I didn't have time to change before leaving the office so I'm dressed in my business suit with a deep purple jacket and white button-front blouse. I tell the mechanic that I'm on the side of the road waiting in a lavender late model coupe. He pulls up in his big tow truck with all the loose parts rattling down the road. He jumps down and walks over to me, checking out the flat on the curb side of the road. Greeting him, I explain I didn't know

what happened but I was in a hurry to get to the cabin. He smiled and said he'd get me back on the road in a jiffy.

I got out of the car and stood at the the other end from the flat. As I watched him bending and toiling over my car, his powerful arms at work, I just couldn't resist walking over to him and bending over, I ask how he does that so well. When he looks up the first thing he sees is a great view of my impressive cleavage, made even more prominent by the way I was leaning slightly forward, and my arms pushing my boobs together. I noticed that

he was trying not to look, but he couldn't help himself.

I watch as he pumps air into the tire to no avail. Then he goes to the trunk to get the spare. "No spare? Looks like I'm going to have to tow it back to the station and fix it there." he announces. He backs the tow truck into position and hooks up the car to it. I get in the front with him and we drive back to the repair shop and with all his tools at hand, he fixes it quickly.

A damsel in distress need only call a competent, and well-hung, mechanic to get a flat tire fixed. In almost any case, payment should be bargained for, because all can cum out a-head.

He leaves for the bathroom and to the sound of running water, I completely disrobe and lean against the counter waiting.

When it came time to pay him, I go back into the car to get my purse and realize I had left it back at the office. I'm so embarrassed. "Neil, I don't know what to say, but I think I left my purse at work and I don't have any cash or credit cards with me. What can I do?" I say with a sheepish voice.

I get out of the car and stand in front of him awaiting his answer. Somehow our physical presence is almost too much bear. "I don't know," he says, "this doesn't happen very often." All the unspoken sexual tension seems about to blow when he walks away to go behind the counter, brushing my chest. Seeing that he's smudged my jacket. "I'm sorry about your jacket." he says apologetically. "I've made your nice top all dirty now." Instinctively, he moves to brush it away, just as I go to do the same thing and end up knocking his hand onto my chest. He looks at me, but made no effort to remove his hand.

Suddenly, I was brave and horny at the same time. Boldly I say, "I'd rub that smudge off if I were you, before it permanently stains my nice jacket." He needed no second invitation and gently flicks his hand across my top. Instantly I felt a little turned on, and both nipples are now trying to poke through my clothes. He notices this, as now he is making no effort to get rid of the mark. Instead he starts giving my boobs a thorough massage. By now I'm really turned on, the thrill and unexpectedness of this whole thing are combining to make me more turned on than I've been in a long time. "Wait - let's make this a bit easier for you," and I quickly take off my tops

and step out of my skirt. Now I'm standing there in the station with only the rear shop lights on in my heels, bra and panties, feeling hornier than I can last remember. Neil walks over to me and grasps a boob with one hand and with the other gives my thighs a little stroke, running his fingers up and down my inner leg. Grasping his hands, I tell him to go was up and I'll be ready for him then. He leaves for the bathroom and to the sound of running water, I completely disrobe and lean against the counter waiting.

He reenters and I step out into the surreal shop light. He pauses and looks at me up and down. Taking my hand, he leads me behind the counter, away from the windows. I see his hard young body straining at his unbuttoned overalls. Invitingly, I put one leg up on a shelf under the counter. Neil takes the invitation hungrily, his hand caressing my mound for a second or two and begins stroking my very wet pussy. First he slips one finger and then two into my wet, silky hole and slides them in and out in a slow but persistent rhythm. Every few

strokes he pushes a little deeper, until in no time he is ramming his fingers into my soaking pussy so hard I can barely stand, all the time his other hand is playing with my boobs and tweaking my hard nipples. Then he rams his fingers all the way in, and turns his hand a little so that his thumb is able

I push his cock up against his belly and fill my mouth with one ball, then the next, then both.

to rub and play with your swollen throbbing clit. As his fingers explore my wet pussy, they find my g-spot and soon the combination of Neil rubbing both that and my clit at the same time becomes so intense that I can feel an orgasm beginning to build. "Do it harder," I shout. "Make me cum."

He carries on for a little longer, until I feel that an enormous, crashing climax will soon consume me. He obviously senses this, as he feels my body subtly changing as I get close to cumming. He drops down to his knees, pushes my legs even farther apart, and greedily begins to lick and suck at my clit. He is now finger fucking me with two fingers, slowly and surely plunging them in as far as they will go, while at the same time his quick, darting tongue is licking around my pulsing clit. This is more than my body can take, and soon I nearly suffocate him as a huge orgasm clamps shut my thighs as it rips through my body. This doesn't

as Neil comes up for air, glistening with the slime and smell of my pussy juice.

Neil stands up and releases his body from his clothes. His large, hard cock is pointing at me, egging me on to touch and caress it. Which I do. Taking the eight inch piston rod in my hands, I drop to my knees and wrap my mouth around it, working my tongue up and down the shaft and around the head. It smells of a slight musty manhood that I now find intoxicating. I devour his rod and work his balls furiously as I slurp up and down the object of my attention..

I push his cock up against his belly and fill my mouth with one ball, then the next, then both. My tongue works them over inside my mouth as I stroke his cock up and down as he watches me in the subdued light. Pulling his cock back down, I release his balls and begin to suck him again as

I reach up to his chest and squeeze his nipples. I hear a muffled groan as perhaps it's just a bit too hard, but at that very moment I feel him jerk his cock in to my mouth harder and then a hot liquid stream of his jizz floods my mouth. It is so much that I cannot keep it all in and it drips down my cheek and onto my breasts. In mone big gulp I swallow it all and stand up to give him a big wet sloppy kiss with a mouth full of cum.

"You don't have to tip me ma'am." he says. "That

seem to stop him though, as wave after wave of my orgasm flows, he still carries on sucking on my engorged clit. After what feels like an eternity I feel my orgasm subsiding, and my legs open once more

more than covers the price." I'm much obliged." We smile and get dressed. I use the bathroom to clean up and jump into my car only an hour behind on my trip to the Catskills.

I just love the fact that it's always warm here in South Florida. I used to live in Minnesota and the problem for me was that I loved to fuck outdoors. The summers were great, going to one of the lakes and spending the day out on a boat, naked and sucking and fucking all day. There were times when the sex we had out there made Pam and Tommy's sex romps seem like a church outing! But now in Florida, I can do it almost every day!

Hanny

I love the fact that almost every home here in Ft. Lauderdale has a pool. I get to fuck all day and then take a dip ion the pool. Or at night it's nice to fuck in the cool evening air and then jump into the heated pool. Now I'm living the Florida lifestyle and this weekend we have an all naked pool party. This will be out third one this year and more and more people have been showing up. What a fun, fun night that will be!

This nude modeling and videos started out as a lark for me. I was just a small town housewife when my husband and I took a trip to So Cal to visit his sister, only to discover that she was doing it. We had no idea, and when she told us my husband didn't like it but I found it fascinating.

I went with her to get another tat added to my back and we started to talking. My husband went home early because of his job and I hung out with her and went to a shoot she was doing. I was surprised at how nice everyone was and how professional too. I had no idea.

Lana

That next weekend she came with me to MY photo shoot. I did not tell my husband and asked her not to tell, either. Well people, I loved it. I liked being the center of attention, having my makeup done, people jumping at my every word. I had never been treated so good. By anyone! The shoot went as I hoped and the shots were great. Now I do it for a living and I couldn't be happier – and I have my former sister-in-law to thank for it.
